**BROWN'S IRON BIT-
TERS** never fails to cure
all these diseases.

Boston, November 26, 1881.
Brown Chemical Co.
Gentlemen:—For years I have
been a sufferer from Dyspepsia,
and could get no relief (having tried
everything which was recommended)
until, acting on the advice of a
friend, who had been benefited by
Brown's Iron Bitters, I tried a
bottle, with most surprising results.
Previous to taking Brown's Iron
Bitters, everything I ate distressed
me, and I suffered greatly from a
burning sensation in the stomach,
which was unbearable. Since tak-
ing Brown's Iron Bitters, all my
troubles are at an end. Can eat any
time without any disagreeable re-
sults. I am practically another
person.
Mrs. W. J. Flynn,
30 Maverick St., E. Boston.

**BROWN'S IRON BIT-
TERS** acts like a charm
on the digestive organs,
removing all dyspeptic
symptoms, such as tast-
ing the food, Belching,
Heat in the Stomach,
Heartburn, etc. The
only Iron Preparation
that will not blacken the
teeth or give headache.

Destructive Storm.

Later reports of the destruction wrought
in Iowa by the great storm of Saturday
night show that the first accounts were not
exaggerated. In the southwestern part of
Boone county a number of farms were laid
waste and several persons killed and in-
jured. At Irish Ridge from 10 to 12 persons
are reported to have been killed. The elec-
trical display was remarkable, the sky being
aglow almost constantly for two hours. At
Mt. Pleasant two storms met: \$150,000 dam-
age was done. Churches were wrecked and
300 houses unroofed, and not a chimney left
standing in the town, but only two persons
were killed. Fifty freight cars near Mount
Pleasant were blown over on the main track
causing a collision with a train on the Chi-
cago, Burlington and Quincy R. R. One hun-
dred and forty-three dwelling-houses were
destroyed in Grinnell by the tornado, and the
damage is estimated at half a million dollars.
A large number have lost all they had in the
world. Outside of Grinnell there is great loss,
and the aggregate will probably reach
three-quarters of a million of dollars.

Monday about noon a cyclone struck the
southeast of Bay City, Mich., doing much dam-
age to property, and serious injury to many
persons, several of whom will probably die.
The track of the storm was about eight rods
wide, and in its path houses, barns, fences and
trees were swept away. The storm moved
in an easterly direction, and reports from fur-
ther on in its course say that much property
has been destroyed, and many people have
been injured.

Rev. O. F. FLINTO.—This gentleman deliv-
ered the annual address before the stu-
dents of the Military Academy on Tuesday
night of last week. A large crowd was pre-
sent on the occasion, and while all expected
to be pleased and entertained, it is but just
to the speaker to say that the entire audi-
ence came away delighted. He spoke par-
ticularly, but kindly and pointedly, to the
young men—warned them of dangers ahead
and pointed out the line of duty; and while
there was enough of point and fun in the effort
to render it palatable to a casual hearer, no as-
piring young man could have listened to it
without feeling that he had been substantially
helped. Such talks do good, and the
speaker of the occasion will always find in
Suffolk many interested and eager hearers.

Suffolk Herald.

REV. O. F. FLINTO.—This gentleman deliv-
ered the annual address before the stu-
dents of the Military Academy on Tuesday
night of last week. A large crowd was pre-
sent on the occasion, and while all expected
to be pleased and entertained, it is but just
to the speaker to say that the entire audi-
ence came away delighted. He spoke par-
ticularly, but kindly and pointedly, to the
young men—warned them of dangers ahead
and pointed out the line of duty; and while
there was enough of point and fun in the effort
to render it palatable to a casual hearer, no as-
piring young man could have listened to it
without feeling that he had been substantially
helped. Such talks do good, and the
speaker of the occasion will always find in
Suffolk many interested and eager hearers.
